LETTER OF RECOMMENDATION

As the Head of Department of Electronics and communication Engineering, It is my immense pride that I recommend Mr. ~~Deepak B~~ for admission of the Masters programme at your esteemed institution. I have been acquainted with him ever since he enrolled for his graduation in Bachelor of Engineering in Electronics and Communication Department.

Throughout his tenure at Adichunchanagiri Institute of Technology, ~~Deepak~~ demonstrated a high level of academic expertise accompanied by persistent hard work. He is proactive student with a insatiable thirst for knowledge, He is lively attentive and punctual. I would rate him among excellent students. He is First class Distinction holder.

I have tutored him subject like Power electronics and handled many Lab sessions. I must admit that he has impressed me with his quick analysis of any given problem and his reasoning ability superficial knowledge about a topic does not satisfy him and his insistence for knowing more has often led him astray from the set curriculum. His fundamental concepts and problem-solving skills are well appreciated as they encompass a practical perspective coupled with rational approach. These are quite evident from the fact that he scored above 85% in many of practical examination throughout his engineering career

I must also add that ~~Deepak~~ has appreciable skills in presentation. He is excellent orator and can take constructive criticism as well. I have found his class seminars are enjoyed by teachers and students alike. He has an uncanny way of putting across a particularly tough topic with witty examples, I was extremely impressed by his systematic approach dedication to the assignment and leadership qualities he displayed. Moreover, He is sociable by nature and is liked by all staff members of the department and has excellent character and conduct.

I believe he has all the qualities that go into the making of successful professional. I'm sure that Mr. ~~Deepak~~, will stand out as a pride possession to your esteemed Institution, I strongly recommend him to your esteemed Institution. Considering his keen interest in pursuing higher studies, I am sure he would perform well and be an asset to your institution. I wish him the very best and hope he has a bright and successful future
